FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.204 sets out the fee guideline for workers' compensation specific services.
3. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - 59 – Processed based on multiple or concurrent procedure rules

Issues

1. Did the requestor bill the respondent correctly for the disputed services performed?
2. Is the requestor entitled to reimbursement?

Findings

1. Per 28 Texas Administrative Code §134.204 (i)(1)(C-F) (i)(1)(C-F) states: “ (C) Extent of the employee's compensable injury shall be billed and reimbursed in accordance with subsection (k) of this section, with the use of the additional modifier "W6;" (D) Whether the injured employee's disability is a direct result of the work-related injury shall be billed and reimbursed in accordance with subsection (k) of this section, with the use of the additional modifier "W7;" (E) Ability of the employee to return to work shall be billed and reimbursed in accordance with subsection (k) of this section, with the use of the additional modifier "W8"; and (F) Issues similar to those described in subparagraphs (A) - (E) of this paragraph shall be billed and reimbursed in accordance with subsection (k) of this section, with the use of the additional modifier "W9.”

Per 28 Texas Administrative Code §134.204 (i)(2)(A) states: “2) When multiple examinations under the same specific Division order are performed concurrently under paragraph (1)(C) - (F) of this subsection: (A) the first examination shall be reimbursed at 100 percent of the set fee outlined in subsection (k) of this section.”

Per 28 Texas Administrative Code §134.204 (k) states: “(k) The following shall apply to Return to Work (RTW) and/or Evaluation of Medical Care (EMC) Examinations. When conducting a Division or insurance carrier requested RTW/EMC examination, the examining doctor shall bill and be reimbursed using CPT Code 99456 with modifier "RE." In either instance of whether MMI/IR is performed or not, the reimbursement shall be \$500 in accordance with subsection (i) of this section and shall include Division-required reports. Testing that is required shall be billed using the appropriate CPT codes and reimbursed in addition to the examination fee.”

Review of requestor's submitted documentation finds a Commissioner Order Approval request for designated doctor examination to address Maximum Medical Improvement (MMI), Impairment Rating (IR) and Return to Work (RTW) for date of February 07, 2013. Requestor billed the Return to Work (RTW) examination portion with CPT Code 99456-W8-RE which is supported. Per rule §134.204 (k) reimbursement shall be \$500.00.

2. The respondent issued payment in the amount of \$325.00. Based upon the documentation submitted, additional reimbursement in the amount of \$175.00 is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$175.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$175.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
